Dear Rev. Nerger:

At the City Council meeting of August 26, 1969, it was moved and seconded that this letter be sent to you to advise you of our interest in meeting with the appointed members of the Mayor's Commission on Human Relations in the very near future to discuss needed changes and problems that exist.

I was pleased with your suggestion at the time we established the budget for the Mayor's Commission on Human Relations that we do meet and discuss said problems.

I would suggest that you contact Mr. Herbert G. Tipton, president of Fort Wayne City Council, relative to a workable date and time and feel that we would be most successful in having a larger attendance if this were held on a Tuesday evening other than our second and fourth Tuesdays which are our regular meeting nights. At the present time most Council members set aside all Tuesday nights for such meetings as we have found in the past, due to work schedules and other conflicts, that Tuesday works out with nearly every member.

Very truly yours,

Phil A. Steigerwald

COMMUNICATION FROM CITY PLAN COMMISSION

The Common Council of the  
City of Fort Wayne  
City Hall  
Fort Wayne, Indiana

Gentlemen and Mrs. Fay:

Attached hereto is the recommendation of the City Plan Commission on one (1) ordinance concerning the adoption of a zoning map entitled "Official City of Fort Wayne Zoning Map" shown as approved by the Common Council on September 16, 1969. This ordinance, G-68-10-19, was introduced by the Council on October 8, 1968. The City Plan Commission held a public hearing on November 18, 1968, and it was given commission approval. Since there has been a lengthy delay in returning this ordinance to the Common Council it was necessary to amend the zoning map by adding all the approved zoning map amendments occurring since the October 8, 1968 ordinance introduction. The proposed ordinance is designated as:

Bill No. G-68-10-19
